

2022 FUNDING & OPERATIONS

United Way Initiatives consists of donations and pledges designated by donors to support programs such as CA\$H and our two new programs: Community Building Mini-Grant and Student United Way.

Board Designated funds withheld from allocations to Member Agencies for emergency uses.

Donor Restricted Endowment funds that are designated as an endowment, or gifts designated to an endowment fund, ensure the longevity and financial health of a charitable organization. Endowment interest can help a nonprofit through a difficult campaign year, it can help offset the cost of necessary software upgrades, or help jumpstart a new initiative. Though the principal gift amount can never be touched, the income generated by an endowment fund can be used and will be endlessly impactful.

Uncollectable Reserves are unpaid pledges.
