

Member Agency Collaboration:
Booker T. Washington Community Center faced a transportation issue last fall and collaborated with SCAT Van to bus students to the Center.

For 100 years your friends, family members, and neighbors have been turning to United Way funded programs in the areas of education, health, financial stability, and safety net needs. Your gifts continue to support your neighbors throughout all life's stages and connect them to what they need most to ensure a brighter future.

Last year, two out of three Cayuga County residents turned to a United Way funded Member Agency— that is 60% of our community.

For a century, your United Way of Cayuga County has been meeting the ever-changing needs of our community. Looking toward the future, your dollars will also support new initiatives to further support our neighbors. This year, your United Way established a Community Building Mini-Grant, available year-round on a rolling basis. Plans are currently underway for a Student United pilot program to launch in early 2023 in the central region of Cayuga County.

Make YOUR 2022 Gift & GIVE UNITED.

Other Ways Your United Way Supports Cayuga County:

- Administrator for Emergency Food & Shelter Program funding to county pantries, soup kitchens, and shelters
- Free tax preparation through CA\$H and MyFreeTaxes.com
- SingleCare discounts on prescription medications
- 211 Hotline, a free and confidential referral service
- ALICE, a study determining how much of our community is employed, but struggles to make ends meet
- And much more!
